

Someday at Christmas

Someday at Christmas police won't be boys

Playing with Black lives like kids play with toys

One warm December our hearts will see

A world where we are free

Someday at Christmas there'll be no wars

When we have learned what Christmas is for

When we have found what life's really worth

There'll be peace on earth

Someday all our dreams will come to be

Someday in a world where we are free

It will take a movement built by you and me

Someday at Christmastime

Someday at Christmas we'll see a land

With no killer cops with guns in their hands

One happy morning people will share

A world where people care

Someday at Christmas there'll be no tears

When all no Black mama meets the worst of her fears

One shining moment, one prayer away

From our world today

Someday all our dreams will come to be

*Someday in a world where we are free
It will take a movement built by you and me*

Someday at Christmastime

Someday at Christmas oppression will fail

Hate will be gone and love will prevail

Someday a new world that we can start

With hope in every heart

Someday all our dreams will come to be

Someday in a world where we are free

It will take a movement built by you and me

Someday at Christmastime...Someday at Christmastime
